

We offer for sale “*Casa Verde*” “The Green House”

This is the view from your back patio!

The search for a location for our next home construction project began in the fall of 2005. The list of necessary requirements narrowed our search to a few areas in the Phoenix Arizona metro area. It needed to be in a private prestigious golf country club development with great views to take advantage of the 300 plus days of sunshine Phoenix Arizona enjoys each year. There are a few great developments that came to mind, but our building partner Troy Burleson of Evolution Homes Inc., mentioned to us he had been looking at lots in [Fire Rock Country Club](#) located in [Fountain Hills](#), the town adjacent and east of Scottsdale, Arizona.

During our first tour of the subdivision, it became apparent to us we had found our private golf country club development. It happens to be the only private one in Fountain Hills, but we had not completed the really hard part - finding a lot with great views overlooking one of the fairways. We came up with a few possibilities on our first tour but nothing jumped out at us. A few weeks passed and we received a call from a real estate agent that Troy knew. The agent told us that a great lot had just come on the market and we should see it quickly, before someone else snatched it up. We decided to look that afternoon, and to our surprise, he was right! We wrote the contract on the hood of our car and sealed the purchase the next morning. This was the beginning of what was to become *Casa Verde*.
